School and Mission

Keystone National High School (The Keystone School) provides high quality individualized educational experiences in a safe, technology enabled learning environment to empower students to achieve their academic and personal goals. We are an inclusive high school, enrolling a diverse student body on a rolling basis and accommodating a wide variety of educational backgrounds and needs. Keystone National High School maintains high academic expectations and accountability, and prepares students to be productive citizens in the world.

In the 2017-2018 school year, Keystone awarded 774 diplomas. Since 1974, we have enriched the lives of more than 250,000 students and families, from all 50 states and more than 90 countries. Keystone National High School is accredited by Advanced Ed and the Middle States Association of Colleges and Schools, and is licensed by the Pennsylvania State Board of Private Licensed Schools.

Grading, Grade Point Average (GPA) and Class Rank

A cumulative un-weighted GPA* is maintained for grades 9-12 based on course completion. Only grades earned at Keystone are used to determine the cumulative GPA. Keystone does not rank its students because students enroll and graduate on a rolling basis. Therefore, we do not have cohorts or students who can be considered in a common grade. **applies to full credit courses only*

90-100	A (4 GPA Points)	70-79	C (2 GPA Points)	Below 60	F (0 GPA Points)
80-89	B (3 GPA Points)	60-69	D (1 GPA Point)		

Graduation Requirements

To receive a Keystone National High School diploma, students need to earn a minimum of 21 units of credit in grades 9-12. Credits can be transferred into Keystone as outlined in the *Transfer Credit Policy*, but students must take at least five credits with Keystone, one credit each in the areas of English, Mathematics, Science, Social Studies, and another credit in an area of choice. College-bound students are encouraged to develop a rigorous four year learning plan, including at least two credits of the same world language as part of their electives, and complete higher level mathematics and science courses.

Standardized Testing – Keystone’s 2017-2018 standardized testing averages are based on tests taken September 2017 through June 2018 and were officially reported by the CollegeBoard and ACT.	
SAT composite score	1106.93
ACT composite score	22.4

Faculty

In the 2017-2018 school year, Keystone National High School employs over 102 state certified teachers. Keystone teachers have an average of 12.5 years of instructional experience, and over 68.6% have earned masters or doctoral degrees in education or their area of instructional specialty.

Academic Program

Our high school curriculum offers more than 100 rigorous courses, including core subjects, Advanced Placement® (AP®) courses, dozens of engaging electives, and six world languages. Keystone students learn through interactive, multimedia-rich curriculum, at their own pace, with access to teacher support to ensure a rewarding individualized high school experience. Students have one year to complete their courses, giving students maximum flexibility and

Subject	Credits Required for Graduation	Recommended Credits for College Bound Students
English Language Arts	4	4
Mathematics <i>(Algebra I or higher)</i>	3	4
Social Studies	4	4
Science	3	3-4
Health / P.E.	1	1
Fine Arts	1	1
Electives	5	4-5
TOTAL	21	21-23

Advanced Placement – Keystone National High School offers eleven AP courses. 60.5% of students taking AP exams scored 3 or higher.

2017-2018 Student Demographics

2018-2019 Course Offerings

Language Arts

- English 1
- English 2
- English 3
- English 4
- Grammar and Composition
- World Literature
- Journalism
- Creative Writing
- AP English Language**
- AP English Literature**

Mathematics

- Consumer Math
- Refresher Math
- Integrated Math
- Pre-Algebra
- Algebra 1
- Algebra 2
- Geometry
- Probability and Statistics
- Trigonometry/Pre-Calculus
- Calculus
- AP Calculus AB**
- AP Statistics**

Science

- Biology with Lab
- Chemistry with Lab
- Earth Science with Lab
- Environmental Science
- Introduction to Agriscience
- Introduction to Renewable Technologies
- Physical Science
- Physics
- AP Environmental Science**
- AP Biology**

Foreign Languages

- Chinese (Mandarin) 1, 2
- French 1, 2, 3, 4
- German 1, 2, 3, 4
- Japanese 1, 2
- Latin 1, 2
- Spanish 1, 2, 3, 4

PE / Health

- Health
- Lifetime Fitness
- Nutrition and Wellness
- Physical Education

Social Studies

- American Government
- Civics
- Economics
- Geography
- Psychology
- Sociology
- U.S. History
- World History
